

**A message from Mrs Woan:**

It has been another fun filled week, with LOTS of fantastic learning happening! I am so proud of the children and staff. A huge thank you to parents/carers too; for all the work you do at home with your children.

There are a number of sickness bugs around at the moment. We have increased hand washing in school to avoid any spreads. If your child has a high temperature and shows obvious signs of illness please keep them at home. If they are a little 'under the weather'; send them in and we can contact you if we need to.

It's been a bit chilly but we have made sure everyone is wrapped up warm when it is play time. School is lovely and warm though.

Your child has brought home a colouring picture from the PTFA. It is to celebrate Chinese New Year. If they want to take part in the competition then please send it back in to school

**NO LATER than Wednesday 15th January with 50p entry fee.**

We will announce the winners on Friday 27th January.

**Potential teacher strike action**

Some of you may have heard in the news that there could be strike action by teachers (following a national ballot of members).

The intended dates for those strike days, **if they go ahead**, would be:  
Wednesday 1st February,  
Tuesday 28th February,  
Wednesday 15th  
Thursday 16th March

I am awaiting further advice from the Local Authority on Monday and from the unions.

Our intention is to remain open to the children, however if a significant number of staff are not in school then we would need to assess the situation and may need to close some classes or the school on Health and Safety grounds.

I will let you know what contingency plans we are putting in place as soon as possible and will keep you informed.
