

Message from Mrs. Woan:

This week the children have experienced Mad Scientists, crazy experiments, Mother's Day lunch, a Wellbeing Day as well as lots and lots of learning tasks. I have been blown away by how they have joined in with new experiences and gained so much from them.

Next Thursday you have a chance to meet the class teacher to talk about your children and look at their books. Please make an appointment via school spider. If you are having any issues with school spider let the school office know and Mrs. Horridge will help you.

**BOB's
Book of Brilliance**

These children have been in the BoB book during the last week for amazing work:

Luna in **Butterflies** for brilliant science work.

Maisy in **Honeybees** for writing a sentence.

Zoe and Jude in **Butterflies** for completing really tricky maths.

Happy Mother's day to all the special females in your lives.

We had a wonderful Mother's Day lunch this week with 68 family members joining their children for lunch. Jo and the Kitchen Team produced fabulous roast dinner or jacket potato options with delicious cupcakes! We even had a balloon arch.

St. Andrew's Kids' Club

After 30 years; Sheila Proctor and some of her team have decided to retire. I am delighted to say that Sheila has asked me if I will take over Kids' Club and have it at school. Some staff from Kids' Club will continue to work with us.

The only changes will be the bank account to pay your fees and the venue.

Teacher Strike Action

This week has seen the last of the planned NEU teacher union strikes. I know this has been a very difficult time for your children and for parents having to take time off work. Thank you for your support and understanding.
