

We hope you have all enjoyed a lovely Easter break with your family and friends. It has been great to see everyone back in school and we have been very busy. The children have had a great start to the new term learning new things, seeing their friends and enjoying the sunshine.

In Reception the children have had fun learning about St. George's Day. They found out about the story of St. George and made flags and shields.

In Year 1 the children have been finding out about Paddington's adventures. In art lessons, they have started to look at textiles linked to landscapes.

Year 2 have been busy learning about a village called Mugurameno and reading books set in Africa. They have also enjoyed taking part in their second UK Military School session.

### St. Andrew's Kids' Club

Kids' Club has started before and after school in our school hall this week. The children have settled very well. If you are interested in your child attending this club, please see the office for further information.

#### Welcome

Welcome to Mrs Farnworth who has started working at our school this week as a member of our welfare team.

### BOB's Book of Brilliance

Malaya in Dragonflies for amazing maths work.

### Perseverance is our current school value
