

I am delighted to say that your children have been amazing again this week.

Year 2 have learned how to work as a team getting water to a village. They are really enjoying the Military School activities. They have also been to Woodlea School this morning as part of the transition experiences.

Reception children are so excited by the arrival of the duck eggs which are starting to hatch into ducklings! (Please note we use an ethical company called Incredible Eggs for this service).

Year 1 are getting to know Paddington and his adventures. They are finding out key places in London. Ask them what Paddington's favourite sandwich is!

Wishing you all a happy bank holiday weekend; fingers crossed the sun shines. Enjoy the extra day at home. **See you all on Tuesday at 8.40 am.**

St. Andrew's Kids' Club

We have had some requests for holiday club to continue.

I am trying my best to make this happen as I understand how difficult it is to get child care during the school holidays. The issue I am having is linked to staffing.

If you think you will use this service during the holidays please come and see me/email me with the dates you will require for May half term and/or the summer holidays.

At this point I cannot guarantee anything but will keep you updated
