Who we are

We are a non-profit, parent, teacher and friends association whose membership includes parents, legal guardians, and staff of St. Andrews Infant school. We welcome support and involvement from the families and carers of all our children for single events to full year activity planning.

What we do

The PTFA raises funds for supplemental educational materials and experiences, supports school and family social interaction and provides a non-biases forum for sharing information on issues that impact our children.

Where we do it

Meetings are held in the schools community room or main hall. Events usually take place within the school grounds, but that's not to say we won't take advantage of an opportunity to raise funds elsewhere.

How we do it

We host lots of events throughout the school year, whether that be child orientated film nights and discos, to bigger more social events for the whole family such as the Christmas fair.

When we do it

We hold occasional meetings to discuss and plan events and also to agree on how the money raised should be spent. Children are always welcome to come along to meetings. We also arrange things by text, email and through facebook messenger.

Why we do it

It's great for our children to see their families involved in their school. It's a real benefit to our children when school is provided with the funds to supply those little extras that current budgets don't allow for.

It's easy, flexible and doesn't require a huge time commitment. Support can be anything from photocopying a letter or sitting with the children to watch a film, to planning a new event or setting up tables for the Christmas fair.

You don't have to make the PTFA a full time job to make a difference but volunteering for an occasional task really matters.

This year especially we are looking for new volunteers as many of our helpers will be moving on when their children go to junior school.

If you would like to part of the next PTFA team, please get in touch via email. We look forward to meeting you.
