September 2021

Dear Parents/Guardians

Welcome to the Foundation Phase. We are looking forward to getting to know you all and welcoming you to school in September.

In the Foundation Phase teaching and learning is a whole team approach. As a staff we are keen to work alongside parents to provide quality early learning experiences for your children. The continuity between each of the learning bases is key as learning areas are for all pupils. We aim to provide a curriculum that is based on the children's strengths and difficulties as well as their areas of interest and to promote our key Christian values. We wish to encourage active learning and application of skills to enable children to become confident, independent learners.

As a team we have worked very hard to ensure your child's learning environment is safe and secure as well as a happy and inviting place to learn.

The Staff team

Ladybirds led by Mrs Martin

Honeybees led by Mrs Butterworth.

Support staff: Mrs Greenwood, Mrs Singleton, Mrs Linney, Mrs Barber and Mrs McCabe

For Autumn term the children will have PE lessons each **Monday** afternoon, so please ensure that your child has a full PE kit that has been named with them in school.

Our Topic for the Autumn Term will be 'All About Me'. We would like to find out everyone's likes and dislike as well as seeing how we are all different. We will have lots of fun investigating how the body works in PE lessons, we will be looking at the senses, where we live and the surrounding area and much more.

We have been using a video to help explain to the children the importance of washing their hands frequently. We will be showing this video again to the children in September as well as encouraging them to wash their hands. However, please feel free to watch the video at home as talking with your child about this process will help us greatly when we return.

Please find the video here: <https://www.youtube.com/watch?v=XUXDX0WFyno>

We look forward to getting to know you all in the Autumn Term.

Yours Sincerely,

The Foundation staff team
