A message from Mrs. Woan:

What a great week we have had. Children are settled in their new classes and some have found a new sense of confidence! A lot of children have been very tired tough, so please can we have early bedtimes so that your child is ready for a full day of learning. Reading books should be coming home now, we hope you are enjoying sharing the stories children bring home for you to read to them. PLEASE look after the books. Any lost/damaged books will be changed for £5.00 per book.
Have a lovely weekend.

Winter Foot Wear

Some parents have asked if it is okay for children to wear boots instead of shoes in winter.

This is fine as long as they are **fully black and flat**.

NO jewellery can be worn in school.

This means:

NO EARRINGS at all

even if they are covered up with a plaster. Mrs. Woan will take any earrings out from children's ears or ring parents to come and remove them.

We Need Your Help

The PTFA are a valuable team of volunteers who raise money to support our children. Last year they paid for lots of treats including the coaches so children could go on school trips; saving parents £10.00 per child.

We want this to continue but need your help. Please see Mrs. Woan who will put you in touch with the volunteer group.

Just another reminder about water bottles!

Only water is allowed in the children's water bottles UNLESS you have a medical exemption. If this is the case, it needs to be discussed with Mrs. Woan and medical evidence is required.

Orphanage Appeal

Mrs Barber and her husband are travelling to Zambia, to a village called Choma where they will be doing some voluntary work for an orphanage. The orphanage has 150 children in it from babies up to 13 year olds. They are desperate for children's underwear, warm socks and jumpers. Can you spare anything which is **clean and in good condition?** If so we are collecting at school for a couple of weeks.
