A message from Mrs. Woan:

The children and staff have been really busy working hard this week; plenty of smiling faces which is always delightful to see. The new reading scheme is working well and we have had some positive feedback from parents about sharing stories and reading together. Children enjoyed the special Bonfire Lunch and are getting stuck in to the new winter menu. School meals are **FREE** for all children in our school. Why not give encourage your child to give them try. They are delicious! The daily menu is displayed in the kitchen window and the full menu is on the school website. Give them a try, you won't be disappointed.
