

# St Andrew's C of E Infant School Newsletter 2<sup>nd</sup> February 2024

A message from Mrs. Woan:

What a fabulous week the children have had. They are working so hard. I've seen moon buggy designs and models, dinosaur eggs and footprints and materials being sorted into groups and properties. The children and staff are loving this half terms topics.

Sadly some staff have been poorly this week. There are some horrible bugs going around. Where possible we have used internal staff to cover classes. We are hoping everyone is well and return back on Monday.

## Sickness and Diarrhoea

Sickness bugs spread easily amongst young children and the adults they come into contact with. We have had 3 staff off this week with sickness bugs.

We have a **strict 48 hour policy** if children have sickness and diarrhoea. This is to protect the school community.

If we believe a child has been sick or had diarrhoea we will have to send them home. Please be considerate of other people.

### Vomiting and diarrhoea?

Stay hydrated	Take paracetamol if needed
Prevent spread	Stay at home until 2 days after symptoms stop
