

Learning, Caring and Growing Together in Faith.

**St Andrew's C of E Infant School**

**Jumpathon – Friday 23<sup>rd</sup> March 2024**

The children decided to raise money for two charities supporting spinal injuries:

- SIA – spinal injuries association
- **Back Up** – transforming lives after spinal injuries

**The whole school took part in a jumpathon and raised £129.**

Following this, we enjoyed a visit from Brian 'Grandad Wheels'. The children listened to his stories. He told them about his accident and answered their questions about what life is like using a wheelchair. We presented him with the money we raised.

**'God is my strength, in whom I trust.' Psalm 18**
