Message from Mrs. Woan:

What a wonderful start to the summer term...apart from the weather! The children and staff are back in full swing, working hard and enjoying new topics. Year 1 had a special visit from Paddington Bear this week and are finding out about his visit to London. Year 2 are learning all about an African village and are starting to think of ways they can fund raise so the village can access clean water. Reception classes are enjoying finding out about David Attenborough as well as seeing how their new classmates are growing!
