

St Andrew's C of E Infant School Newsletter

7th June 2024

Message for Mrs. Woan:

What a great first week back it has been. The children are enjoying their new topics and have been working really hard. Staff are busy writing end of year reports for each child and these will be sent home in July. It is a really busy time of year in school, the children are learning new skills ready for their next stage in education. I can't stress enough how important it is that your child attends school. Every day does matter. No holiday requests will be granted in line with school policy and Government guidelines.

Next week is the Year 1 phonics screening and all Year 1 children must complete this task. It is nothing for your children to worry about, it is a chance for your children to show off their reading skills.

We are focusing on a new school value this half term-Friendship. So far we have discussed the importance of friends and decided that the best way to have good friends is to be a good friend! We have also talked about Jesus' friends and how important they were to him.

Shining stars awards
this week go to:

Ladybirds: Soffia
