

# St Andrew's C of E Infant School

## Newsletter

### 14<sup>th</sup> June 2024

Message for Mrs. Woan:

The children have loved having a 'dad' in school this week. Thank you for joining us. We hope you had a great time and managed to get a few selfies with your child.

Reception children enjoyed a great day out at 'Imagine That' and made all sorts of things to take home including bath bombs and fridge magnets.

Year 1 children have completed their phonics screening test this week and we are so proud of them. Both children and staff have worked incredibly hard in phonics lessons.

Year 2 children are busy with learning in school and are loving experimenting with the suitability of materials. They also loved taking part in an African drumming session today.

Have a lovely weekend, I hope the weather clears up so you can enjoy Leyland Festival.

Shining stars awards  
this week go to:

Ladybirds: Joshua

Honeybees: Carter

Butterflies: All the class

Owls: All the class

Kingfishers: Ted

Dragonflies: Zoe

### Friendship is the current school value

Ladybirds: Fia

Honeybees: Sophie

Friday 19th July - School closes for the summer holidays at 1.15pm.

## Class Dojo

Class Dojos is the online messaging system we use to keep you up to date with events going on in school. We also use the weekly newsletter. If you do not access these you may miss out on events in school and opportunities to support your child.

Closing dates for events are final and it is parents/carers responsibility to check dojos and the newsletter and book on to events. If you do not get round to booking an event that is not the fault of anyone in school and any abuse towards staff is not acceptable. Any parents not upholding the [Parent/Carer Code of Conduct Policy](#) will not be able to come to events.

## BOB's Book of Brilliance

**Dragonflies:** Viola and Olivia for completing tricky fraction maths.

**Kingfishers:** Zara for identifying symbols on maps really quickly. Rory for writing about how to use maps effectively and super science work.

**Butterflies:** Kayden and Jaxon for independent writing. Elijah for using brilliant vocabulary in his writing.

**Ladybirds:** Hayley for creative art work. Sofia, Alice and Xander for independent writing. Amelia, Alice and Coby for being scientists. Felix, Soffia, William and Xander for writing about their school trip.

**Owls:** Freddie for being really kind. Jess and Harry for improved writing.

## St. Andrew's to Woodlea - Transition dates for Year 2 children

**Summer 2 - Moving Up Day**  
Wednesday 3rd July

**Summer 2 - Buddies and Year 2 picnic lunch - 12pm-2pm**  
Wednesday 10th July

September

Some people have been asking about which class their child will be going into in September. Staffing plans have not yet been finalised. You will be informed in time for the moving up day on 3rd July.

A number of viruses are going around at the moment including scarlet fever and slapped cheek syndrome.

If a child has scarlet fever they can return to school 24 hours after the first antibiotic is taken.

<https://www.nhsinform.scot/illnesses-and-conditions/infections-and-poisoning/scarlet-fever/>

Slapped Cheek is highly infectious during the early stages BEFORE the rash come out. However you don't often know a child has it until the rash comes out.

Whilst slapped cheek isn't a major issue for children it can be an issue for some groups of people. Once the rash has come out it is no longer contagious.
