## 21<sup>st</sup> June 2024

Message for Mrs. Woan:

This week has been taken over by Scarlet Fever! We have had advice from Lancashire Health team and they have advised that if your child has a rash they must see a GP and you should tell them that Scarlet Fever is in school. Scarlet Fever is easily treated and is usually harmless to your child. Left untreated it can lead to more serious illnesses such as pneumonia. Thank you for all your support in this.

I know sunshine is a rarity but best be prepared...please send in hats and suncream. Show your child how to put suncream on so they can do it themselves. We will ensure that they get time in the shade and also drink lots of water.

Have a lovely weekend
