

St Andrew's C of E Infant School Newsletter

6th September 2024

Message from Miss Glassbrook:

Happy New (School) Year! We have had a wonderful start to the new term. The children have started to settle into their new classes, get used to new routines and new teachers. The children have enjoyed playing in the sunshine.

A huge well done to our new Reception children who have made such a great start to school life. They are enjoying the fun activities and have been busy making new friends. Welcome to the St. Andrew's School family!

Year 1 and 2 children have grown so much over the summer holidays. It has been pleasure to see their smiley faces. They too have settled well into new classes and are starting to understand new routines.

Please remember to bring PE kits to school and label all uniform...it is really difficult when you don't.

Information about the curriculum has been sent home via Dojo and it is also on the school website for you to look at under each class page.

If you have any questions, please do ask. We will always do our best to support you.

Important Information

Water bottles should only have water in them and not juice. There are some free water bottles left in school. If you need one please ask.

Earrings and jewellery **can't** be worn at any time. If your child has pierced ears they can wear 'ear piercing savers' which are flat to the ear. Earrings cannot be covered with plasters as they could still be ripped out.

If children are wearing earrings then they will not be able to take part in PE lessons.

Any questions, please let us know.
