Forgiveness

'Just as the Lord has forgiven you, so you must also forgive others' Colossians 3:13

The children of St Andrew's Infant school are forgiving and caring. Children forgive each other on the playground when they fall out and understand that everyone makes mistakes but it is important to forgive and make friends.

A reflection area focused on forgiveness. The children worked together to create this space.

Children are forgiving of their friends when they make mistakes.

Children learning about Remembrance Day remembered those who died, but also learnt to forgive others for the wrong that they have done 'forgive those who trespass against us'.

The Reception children made a 'remembrance and forgiveness garden'

On a school trip visit, 2 children were upset because they didn't get to sit by the window! They quickly forgave their friends and enjoyed sitting on the back seats.

When 2 of the boy's sandwiches got mixed up, they both forgave staff and enjoyed an alternative sandwich, they even said the new flavour was yummiier!

It can be hard to remember your lines!
During Reception's Nativity rehearsal some of the children got their lines mixed up. All of the class forgave them and encouraged them with smiles to keep trying.

We have to learn to take turns when we both want to play with the same toys and to forgive each other when we struggle to share sometimes.
