Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

What a busy week we have had in school! The sun has been shining and we have enjoyed learning and playing together.

Reception have settled really well. They have been learning to share, take turns and play nicely with their friends. They have been arriving at school so sensibly and are learning to be more independent. Y1 have been writing some amazing sentences and they have enjoyed making maps outside. In Y2, Katy came in to speak to the children all about the Bible and why it is so special to Christians. The children have started to learn about Worden Park and how it has changed over time.

Our value this half term is 'truthfulness' and children have been learning all about what this means and how important it is.

We have also been encouraging and supporting our children to be courageous advocates who believe that they can support and champion a cause that is important to them. Please help us by talking to your children about this. If there is anything they discuss, is there something that could be done about it? Is there anything we can do in school?

Truthfulness is our current school value
