Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

The children are working so hard in school and we are very proud of them all. They are supporting each other, trying their best and shining.

Reception have been reading the story 'Goldilocks and the Three Bears'. They have been making the Three Bears Cottage outside from large construction items. They also made a large-scale map outside so Goldilocks could find her way home! They have had their first 'Drawing Club' lessons and astounded the teachers with their drawing skills!

Y1 have been learning all about the value of numbers. They have been using their senses in Science too, including tasting interesting things! They are writing wonderful sentences, including lots of detail.

Y2 have been on a hunt to find animals in their habitats and micro-habitats. They have been working hard on including more detail in their writing and have been getting better at explaining their understanding in maths.

Thank you to all those who organised and supported the Macmillan coffee morning yesterday. There was a good turnout and we raised £209 for the charity.

Monday 7th October - Return forms for Cauliflower Cards

Monday 14th October - Y2 trip to Worden Park

Monday 14th October - Donate clothes for Sammy

Harvest Collection and Service

This year we are helping to support Wade Hall Community Centre in conjunction with St. Andrew's Church. In particular we are looking for tinned meat, new duvets and quilts and hot water bottles. This year church are using the donations to help care for the elderly in our community.

If you would like to donate unperishable food items such as tins and pasta we will also be donating to the Leyland Food Bank. Please bring any donations to school.

This year our Harvest Service will be held in church in the morning of Tuesday 15th October. Parents/carers are very welcome to attend.

Thursday 3rd October is School Census Day, the day when information is collected by the Education Department, from each individual school, to determine their school budget for the coming year.

Funding for school is based on a number of factors, one being the uptake of hot school meals in Infant Schools. The more pupils who have a meal on Census Day, the more funding school will receive. As you will all be aware, school budgets are very tight so every little helps and the more funding we receive, means we can provide even more exciting resources in the classroom and extra support where appropriate.

HELLO YELLOW!

Thursday 10th October 2024

It is important that we all take care of our body and mind.

Children will take part in some activities to help them understand their emotions

Children can wear yellow on Friday 11th October 2024 to celebrate their wellbeing

Donations are welcomed on the day.
This event is being run in conjunction with Young Minds to promote healthy wellbeing for children of all ages.

Wear it loud. Wear it proud.
