Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

It has been wonderful to see all the amazing work being completed by the children throughout school this week. So many of them have come to see me to go in the BOB book, showing great pride in their achievements.

On Wednesday some of our Year 2 children took part in a Young Leaders Day where they learnt skills to help them lead activities on the playground. The children have started these activities with the children at lunch time and are doing a great job! Well done!

On Thursday we had our 'Hello Yellow' day to promote wellbeing. During this day the children took part in fun activities such as recognising feelings like tired, hungry, angry, thirsty and sad. Talking about who they can turn to for help when they are feeling emotional and learning about ways to relax. Thank you for your generous donations. We raised £63.27 and this money will be donated to the charity Young Minds.

If you have not already done so, please sign up to these using School Spider.

These meetings are a great opportunity to chat to your child's teacher about how they have settled in in their first few weeks of the new term.

Our school Governors will also be available to talk to during the meetings, should you have any questions for them.
