Learning, Caring and Growing Together in Faith

## Message from Miss Glassbrook:

What a busy week we have had! The weather has been chilly and some sparkles are up around school - it must be getting closer to Christmas!

We are so proud of all the children. This week I have really enjoyed visiting classrooms and seeing everyone busy learning and supporting each other. The progress the children are all making is superb and many of them have come to share amazing achievements with me.

Reception have been busy learning new sounds, playing outside in the cold weather, making and building things with each other.

Year 1 have been finding out about different types of trees. See if they can spot any when you are out and about!

Year 2 have been solving some tricky problems all about fractions in their maths lessons. They also had a visit from Leyland Fire Service where they thought carefully about fire safety.
