Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

We are so proud of the children. They are working hard, supporting each other and trying their best. This week we enjoyed meeting Maria and Phil in worship. They talked to us about the Jack & Jill School in Choma, Zambia. We found out that the people who go to school here find it very difficult to access clean water so we are going to help raise some money for a water borehole. If the children have any ideas about how we could support the school that they talk to you about at home, I'd love to hear what they are. Please send me a message to let me know. This half term our focus value is **compassion** and the children all showed compassion when learning about this school and thinking about how we can help.

Reception have had a great week learning about fossils, reading brilliant books and finding out all about the number 5! Year 1 have written some amazing stories all about No-Bot the Robot using lots of detail and interesting ideas. Year 2 have been finding out all about Neil Armstrong and why we remember him. Well done everyone!

'The Lord is compassionate and merciful, slow to get angry and filled with unfailing love'
