Learning, Caring and Growing Together in Faith

## Message from Miss Glassbrook:

What a wonderful week we have had in school! On Wednesday we all took part in an athletics festival where we played lots of games to help us to improve our skills. It was so much fun and the children supported each other, demonstrating amazing teamwork.

Reception have had such an exciting week that started with a dinosaur day. The children found an egg in their outdoor area and this morning they saw video footage of a dinosaur visiting their classroom!

Year 1 have continued their topic all about toys and have enjoyed sorting toys between old and new, discussing the differences. They have been writing some wonderful stories including lots of creative ideas.

Year 2 have been learning all about Neil Armstrong and the moon landing in their history lessons. In maths they have been using base 10 to add and subtract 2 digit numbers, solving challenging problems. We are very proud of them all.

'The Lord is compassionate and merciful, slow to get angry and filled with unfailing love'

Psalm 103:8

Compassion is our current school value
