Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

Wow! On Monday we had a 'dress in blue' day to raise money for the Jack & Jill School in Choma, Zambia. The children took part in an obstacle course where they had to carry a bucket of water without spilling any! We raised a huge £1397.55 which will enable the school to build a water borehole for access to clean water. Thank you so much for your incredible support, Jack & Jill School are extremely grateful and it will make a big difference to the lives of the children and adults there.

We are so proud of all the amazing learning the children have been busy with this half term. It is wonderful to walk around school and see them engaged in their learning, making great progress. Well done children, you are all amazing!

We finish today for half term and the children return on Tuesday 25<sup>th</sup> February. Doors will open as usual at 8:40am. I hope you all have an enjoyable and restful week with each other and we look forward to seeing you again after the break.
