14th March 2025

Learning, Caring and Growing Together in Faith

Message from Miss Glassbrook:

We have had a wonderful week in school. The sun has been shining and we have been playing lots of fun games with each other on the field at break and lunch times. We have also enjoyed making use of our prayer spaces outside, thinking about Picture News questions and discussing them.

On Monday we all took part in a Mindfulness Festival, where we enjoyed learning different exercises to help us stretch and relax. On Wednesday it was our Spring Disco. We all wore our party clothes and showed off our amazing dance moves. Thank you so much to the PTFA who helped to organise this event.

I have enjoyed spending time in classrooms this week. The children have shared amazing writing with me linked to some brilliant stories they have been reading. They have been solving challenging maths problems and persevering.

Thank you to all parents and carers who attended the meetings this week. It was great to share with you all the amazing things your children have been doing and the progress they are making.

This half term our focus value is **forgiveness** and we have been learning stories from the Bible that teach us how God always forgives. Trusting in God helps us to show forgiveness to others in our lives too.

'Just as the Lord has forgiven you, so you must also forgive others.'
Colossians 3:13

Forgiveness is our
current school value

Ladybirds: Arron
